Program

Judge Pat Dinkelacker
Highlights/Facts of the
1st District Court of
Appeals - Hamilton
County

- It is a six judge court
with three hearing a
case and one writing the opinion

- The findings usually hold true, avoiding a Supreme Court hearing
- Civil and Criminal cases are heard. Nothing is off the table except death penalty cases
- There is no testimony; the hearings are a review of the case already tried.

In addition to several interesting true stories, Judge Dinkelacker thanked the Cheviot Westwood Kiwanis for its service to the community.

I'm sexy and I know it!!!
