Doc Gerhardt informed us there was a slight mix up and they came to today's meeting expecting to be the speakers. No harm – no foul... Both guests will return..

Health and Cheer No report...

Glad hander Ruben Nystrom walked all around the room to find former President Kristina and presented her with a box of Fawn candy.

Program

- Doctor Gerhardt introduces current Judge Ralph Winkler. (not to be confused with his dad – retired Judge Ralph Winkler). This Ralph is much taller but sounds just like dad.

After Pete Rebold and the Judge traded insults, the Judge gave us much information on the different types of juries. He

encourages us to serve if called. There has been a huge drop off of citizens willing to serve. He also gave stories on how the technology has changed in the judicial system. So good changes and some bad changes.
