

Cheviot Westwood Kiwanis Bulletin

On a cold fall day in Westwood, the meeting was called to order at 12:00 noon. Don Clark and Paul Ward collected what they could from the 56 of us attending lunch and Tony Upton was having a “fantastic day”.

Doc McHenry was first out with the food for today and severed your Bull Writer with the best dish of them all “Meat Loaf/Noodle Casserole”. The dessert again was outstanding. Dabney even had two. We will need to have a program soon on weight loss 101. Great Job Ladies.

Ted Price was our Glad Hander. Dave Ulrich was the recipient of cookies form Panera.

Health & Cheer was not present. We are in need of someone to take over this committee.
