Program

Randy D. introduced Bob Herzog from WKRC as our guest speaker.

Bob gets up at 2:45 a.m. each morning and preps for a 5 hour talk show. One of his main goals is to make people smile periodically as he delivers the news.

He touched what a delicate dance it is to bring the news without offending

either side of the spectrum of political correctness. And, he mused at how the delivery of our news and commentary are often confused. As we would expect from a television personality his presentation was enlightening and entertaining.
