Announcements

Dave Ulrich inducted Denny Richmond and Jim Philips as new members of Cheviot Westwood Kiwanis. Welcome them.

Dick Powers presented Russ Witte his membership in the Kiwanis Legion of Honor for 65 years as a member of Kiwanis.

Next week we will have a speaker from Bethany House.

Though the May membership drive is over, the search for new members is not. New members come from existing members. Ask your friends and acquaintances to come to a meeting.

Westfest is June 22nd and 23rd

Health and Cheer

Bob Hastings is now back at home after recuperation. Roger Miller is also back at home.

Glad hander

Doc Gerhardt presented Dick Feltman with a souvenir stamp folder commemorating the 150 year anniversary of the Civil War.

Program

Ray Kroner introduced our speaker Sister Ann Rene McConn of Westcure spoke

to us on many of the plans for the Westwood community.

Sister Ann discussed the change in building regulations from Building Codes which list what a builder can't do to **Form-Based codes** which tell builders what they need to do.

The Westwood civic and business organizations are looking at developing a Westwood Square which would be a place to walk and to shop.

Westwood has a great housing stock of well built solid homes. They just need to have owners to develop, restore and maintain these homes for the future.
